

Trained teachers from aided schools—their appointment in Government schools.

226. Mr. T. C. Iyyukutty.—Will the Government be pleased to state:—

- (a) the number of trained teachers in the aided schools in the State;
- (b) of which how many are (1) Elementary trained;
- (2) Secondary trained;
- (c) how many have been appointed in Government schools from trained teachers in the aided schools during the last three years?

Rao Sahib I. N. Menon.—(a) 1,125.

(b) 1. 770.

2. 355.

(c) 20.

Resolutions—Trichur Municipal Council—publication in the Gazette.

227. Mr. E. Ikkanda Warriar.—Will the Government be pleased to state.—

(1) whether two separate minutes of dissent were submitted by two members to the resolution of the Trichur Municipal Council held on 5th Edavam 1111 on the petition of Sreemathi C. Ammu Amma, for assignment to her of about eight cents of land from the side of the Kovilakathumpadom road;

(2) whether they were not submitted to the Diwan and the Superintendent of the Government Press by the Municipal Chairman;

(3) why were they not published in the Government Gazette;

(4) whether it is not the rule or practice to publish dissenting minutes in the Gazette along with the minutes of the day;

(5) what action, if any, did the Government take on the above resolution of the Council;

- (6) will they be pleased to place copies of
- (a) petition from Sreemathi C. Ammu Amma;
 - (b) the reports of the Councillors who inspected the locality in question;
 - (c) the dissenting minutes submitted by the two Councillors?

Mr. M. P. Cherian.—(1) Yes.

(2) Yes.

(3) The dissenting minutes were not published lest they should give a wrong impression of the action of the Municipal Council in proposing the assignment.

(4) It is the practice to do so.

(5) The proposal contained in the resolution was sanctioned by Government.

(6) Copies of the petition, reports of the Councillors and the dissenting minutes are placed on the Council table.

Mr. E. Ikkanda Warriar.—Sir, did that dissenting minute contain any statement of wrong facts?

Mr. M. P. Cherian.—They disagreed with the majority of members.

Mr. E. Ikkanda Warriar.—My question is whether the dissenting minute contained any wrong statement of facts by which the Government thought it might create a wrong impression?

Mr. M. P. Cherian.—This is only a small matter. The majority of members thought it fit to assign that. There were some members who were against that. Government thought it a small matter in which a dissenting minute should be published.

Mr. E. Ikkanda Warriar.—I am not questioning the decision of the Municipal Council. My object is only to ascertain from the Government whether the dissenting minute contained any wrong statement of facts?

Mr. M. P. Cherian.—The Assistant Engineer and the Chairman have found it to be in an insanitary condition, but the dissenting members found it to be in a sanitary condition. That is the only difference between them.

Dr. A. R. Menon.—Is not this in front of the Residency Palace?

Mr. M. P. Cherian.—It is in the back of it.

Mr. E. Ikkanda Warriar.—With regard to (4) was it not the invariable practice of the Government to publish the dissenting minutes along with the reports?

Mr. M. P. Cherian.—No.

Mr. E. Ikkanda Warriar.—May I know on how many occasions before this?

Mr. M. P. Cherian.—In 1100 one dissenting minute of the Chittur Municipal Council was not published. For others I want notice. But there are very many instances.

Mr. E. Ikkanda Warriar.—Why were not these petitions and other papers printed as appendix when questions were asked about the matter?

Mr. M. P. Cherian.—Printing means money. They are placed on the table and I believe it serves the purpose.
